01 BRAND STORY

Brand Story

Scrunch Ji is a contemporary accessories brand dedicated to transforming everyday hair styling into an effortless act of self-expression. Born from the belief that even the smallest details can make a powerful statement, Scrunch Ji creates thoughtfully designed scrunchies that combine beauty, comfort, and individuality.

Every collection is crafted around a unique exploration of textiles, colours, patterns, and textures, resulting in pieces that feel distinctive, playful, and full of personality. Handmade in small batches, each scrunchie is created with care and attention to detail, ensuring that every product carries its own unique character and charm.

In a world where women often spend valuable time trying to perfect their appearance, Scrunch Ji offers a simpler alternative. The brand celebrates effortless beauty by providing accessories that instantly elevate any hairstyle without requiring hours of styling or complicated routines. Whether worn casually throughout the day or styled as a statement accessory for special occasions, Scrunch Ji scrunchies are designed to make women feel confident, expressive, and beautiful in moments big and small.

Inspired by creativity, individuality, and the joy of personal style, Scrunch Ji encourages women to embrace their uniqueness and wear it proudly. More than just a hair accessory, every scrunchie is a small piece of wearable self-expression designed to bring colour, confidence, and personality into everyday life.

02 INSPIRATION

Scrunch Ji Brand Logo

Logo Inspiration

The identity of Scrunch Ji is inspired by the vibrant visual culture of Indian truck art, a design language known for its bold colours, expressive typography, handcrafted details, and joyful spirit. These elements reflect the brand's belief that everyday accessories can be playful, expressive, and full of personality.

The custom logotype combines contemporary styling with traditional Indian visual influences, creating a distinctive identity that feels both modern and rooted in culture. The addition of "जी" brings a sense of warmth, familiarity, and charm, reinforcing the brand's Indian character while making it memorable and approachable.

Every element of the logo has been carefully designed to celebrate individuality, creativity, and effortless self-expression, values that sit at the heart of Scrunch Ji.

03 LOGO

Brand Logo Options

The Scrunch Ji logo has been developed through multiple explorations to achieve the perfect balance between cultural inspiration and modern appeal. Each variation was evaluated for readability, personality, versatility, and brand recognition across digital and physical applications.

The selected logo captures the playful energy of the brand while maintaining clarity across different sizes and formats. Its distinctive typography and decorative elements create a memorable visual identity that reflects the handcrafted and expressive nature of Scrunch Ji products.

The final logo system ensures consistency and flexibility, allowing the brand to communicate confidently across packaging, social media, merchandise, and future brand extensions.

Logo Scale

The Scrunch Ji logo has been designed to maintain its visual impact and legibility across a wide range of applications. Whether displayed on large format signage, packaging, social media graphics, or small product tags, the logo retains its distinctive character and recognisable presence.

Proper scaling ensures that decorative details, typography, and overall proportions remain clear without compromising the brand’s visual integrity. Consistent use of approved logo sizes helps strengthen brand recognition and creates a cohesive customer experience across all touchpoints.

TYPOGRAPHY

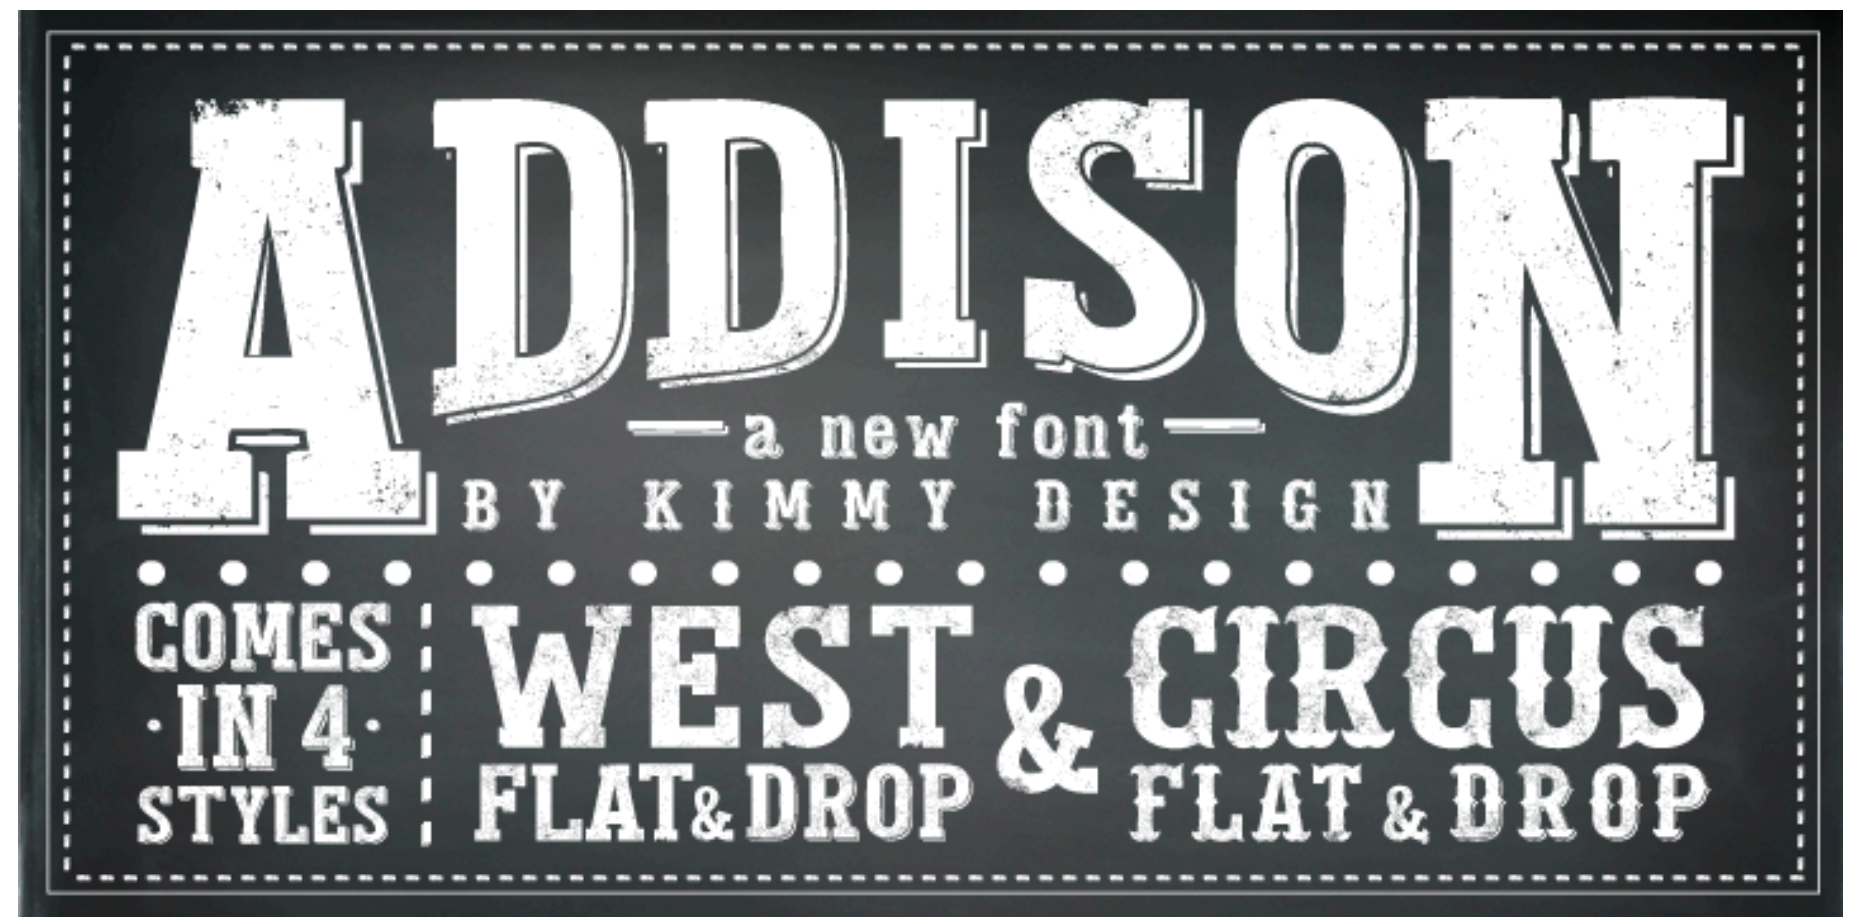

Brand Typeface

Typography plays an important role in shaping the personality of Scrunch Ji. The selected typefaces balance bold expression with everyday readability, reflecting the brand's playful, confident, and approachable character.

The typography system complements the handcrafted aesthetic of the logo while ensuring consistency across print, packaging, social media, and digital communication. Through thoughtful hierarchy and clear visual structure, the typefaces help communicate the brand message with warmth, clarity, and authenticity. A customised solid version of “**Addison circus**” font has been used in the logo.

The secondary font for the brand is “**Poppins**”.
